Dear Mr. Stone:

Thank you for your letter of November 2nd enclosing the information on the OTS that Jay Savage had discussed with me over the telephone. I am sorry that it will not be possible for me to join with you on January 12th. However, as I mentioned to Dr. Savage I will see if there are points of interest elsewhere in the University with whom I can share this information and which may be helpful to your further efforts.

Yours sincerely,

  
Joshua Lederberg
